

TNFU NEWSLETTER

Vol. 05 No. 10
OCTOBER 2018

FROM THE DESK OF VICE-CHANCELLOR.....

I would like to highlight some major initiatives we undertook this month. First is the good opportunity I had to meet Thiru. M. Paramasivam Pillay Vyapoor, His Excellency the Vice-President of Mauritius on 12.10.2018 alongside a conference held in Pudhucherry. I met him and apprised him of our activities and achievements as the premier professional fisheries university in the country. We explored possibility of collaboration on fisheries development in Mauritius. Thiru. Roger Latchman, Executive Chairman, Maruti Golbal, also joined us in our discussions.

Additional Staff (Teaching and Non-Teaching) strength of both permanent and temporary positions for Dr. MGR Fisheries College and Research Institute, Thalainayeru has been sanctioned by the Government of Tamil Nadu vide G.O.(Ms).No. 189 on 04.10.18.

The University started Ph.D in Life Sciences and MBA in Fisheries Enterprises Management. Both the programmes will be offered at the at the Institute of Fisheries Post Graduate Studies, Vaniyanchavadi from the academic year 2018-19 onwards.

As you all know I have been spearheading efforts to start vocational education programmes in our University. Thanks to the UGC, which supported us by sanctioning the B.Voc. programme, I inaugurated a three months certificate course on 'Fishing Technology and Fish Product Preparation' at the Directorate of Incubation and Vocational Training in Fisheries (DIVF) on the occasion of World Food Day at Thoothukudi on 16.10.18.

The B.Voc (Industrial Fish Processing Technology) degree Programme with three years duration was inaugurated on 31.10.2018 at the Para Professional Institute of Fisheries Technology (PPIFT) Royapuram, TNJFU, Chennai. The UGC sanctioned the degree course for Para Professional Institute of Fisheries Technology (PPIFT), Royapuram, Chennai. Totally 28 students were admitted for that B.Voc (Industrial Fish Processing Technology) degree programme.

Prof. S. Felix
Vice - Chancellor

VC EVENTS

Vice-Chancellor's Meeting with the Vice-President of Mauritius

Dr. S. Felix, Vice-chancellor, TNJFU interacted with His Excellency, the Vice President of Mauritius Thiru. M. Paramasivum Pillay Vyapoory accompanied by Roger Latchman, Executive Chairman, Maruti Global on the sidelines of the Conference held at Pondicherry on 12.10.18. The Vice-Chancellor elaborated on various activities taken up by TNJFU in fostering

fisheries development of the country. He also discussed with them on possible collaboration between the TNJFU and the Island nation Fisheries Science.

Biofloc Technology Workshop at Odisha for Shrimp farmers

Dr.S.Felix,Vice-chancellor, TNJFU inaugurated NFDB sponsored three day All India Training and Demonstration Program on **Healthy Shrimp and GIFT Tilapia Production using Biofloc Technology** in the presence of Prof.Haribandhu Panda, Vice Chancellor, CUTM held at Centurion University of Technology and Management (CUTM), Odisha on 27.10.18.

An MoU was signed between TNJFU and **Centurion University of Technology and Management**, Odisha for mutual collaboration during the All India Training Programme organized

by TNJFU in the presence of Vice Chancellor Dr. S. Felix and Prof. Haribandhu Panda, Vice Chancellor, Centurion University.

Govt. Sanctioned 50 Teachers & 100 non-teaching staff TNJFU!

Additional Staff (Teaching and Non-Teaching) strength of both permanent and temporary positions for Dr. MGR Fisheries College and Research Institute, Thalainayeru has been sanctioned by the Government of Tamil Nadu vide G.O.(Ms).No. 189 on 04.10.18.

Maruti Global, South Africa at TNJFU

Thiru. Roger Latchman, Executive Chairman of Maruti Global, a South African based training Institution visited Dr. S. Felix, Vice-Chancellor at his office on 10.10.18. to discuss possible collaboration for the benefit of both the organisations in the field of Fisheries Science.

**Ph.D., (Life Science) Course launched**

Dr. S. Felix, Vice-Chancellor, handed over admit cards to the first batch of students enrolled for Ph.D (Life Science) programme at the Institute of Fisheries Post Graduate Studies, Vaniyanchavadi for the academic year 2018-19 on 12.10.18.

**3 Months Certificate course on Fishing Technology by DIVF**

Dr. S. Felix, Vice-Chancellor, inaugurated a three months certificate course on **'Fishing Technology and Fish Product Preparation'** at the Directorate of Incubation and Vocational Training in Fisheries (DIVF) on the occasion of World Food Day at Thoothukudi on 16.10.18. In his inaugural address he insisted that youth of the fisherman community need to be skillfully strengthened by these kinds of certificate courses. Dr. D.Sukumar, Director, DIVF, Ramanathapuram, in his welcome address, elaborated on the importance of such vocational training courses in fisheries and detailed the efforts taken by the

Vice-Chancellor, TNJFU on the skill up-gradation of fisher youth. Dr. N. Neethiselvan, Professor and Head, Centre for Incubation and Vocational Training in Fisheries (DIVG), Thoothukudi, coordinated the event.

An Innovative MBA(FEM) launched for the first time in India

Dr. S. Felix, Vice-Chancellor, inaugurated the **MBA in Fisheries Enterprises Management** programme at the TNJFU Business School, Vaniyanchavadi in the presence of Dr. E. Ilamathian, Director, Amity Global Business School, Amity University, Chennai on 22.10.18.

Dr.S. Felix mentioned in his inaugural speech that " when compared to agriculture and dairy, fisheries sector grows by a handsome figure of seven per cent. We produce technical people to handle the sector but management part of the fisheries enterprises still managed by people from outside fisheries studies. To bridge this gap, we have come out with this new MBA programme which is a first-of-its-kind in fisheries sector in the country".

It is a 2 years' program offered on self-sustainable mode and is being offered at the IFPGS, Vaniyachavadi, Chennai. Dr. M. Ramanan, Program Director, TNJFU Business School (Fisheries) delivered vote of thanks.

Inauguration of B.Voc (IFPT) Degree Programme

The B.Voc (Industrial Fish Processing Technology) degree Programme with three years duration was inaugurated on 31.10.2018 at the Para Professional Institute of Fisheries Technology (PPIFT) Royapuram, TNJFU, Chennai. It is a skill development based degree programme leading to Bachelor of Vocation (B.Voc) degree with multiple exits such as Diploma, Advanced

Diploma and Degree. The UGC sanctioned the degree course for Para Professional Institute of Fisheries Technology (PPIFT), Royapuram, Chennai. Totally 28 students were admitted for that B.Voc (Industrial Fish Processing Technology) degree programme. Prof. S. Felix, Vice-Chancellor, TNJFU, Nagapattinam presided over the inaugural Function and distributed the admit cards to the students. Dr. P. Tensingh Gnanaraj, Registrar, Tamil Nadu Veterinary and Animal Sciences University (TANUVAS), Chennai gave the chief guest address. Dr.R.Senthiladeban, Director, TNJFU Academy welcomed the gathering and vote of thanks was given by Dr.B.Ahilan, Dean, Dr.M.G.R. Fisheries College and Research Institute, Ponneri. In the presidential address, the Vice Chancellor highlighted the importance and the employment opportunities of this degree programme. The chief guest appreciated introduction of skill development oriented B.Voc degree programme funded by the University Grants Commission, New Delhi by the TNJFU.

DIRECTORATES

Director of Research, TNJFU conducted sensitization meeting on research publications

Prof. G. Jeyasekaran, Director of Research (DR), TNJFU, conducted a sensitization meeting on research publications for the faculty members, and PG and Ph.D. students of Dr. M.G.R. FC&RI, Ponneri on 22.10.2018. Dr.B.Ahilan, Dean, welcomed him and thanked him for the initiative. Dr.G.Jeyasekaran explained the various nuances related to publication process of manuscript preparation, how to avoid plagiarism and selection of appropriate journal for publication. He also encouraged the faculty to submit project proposals and advised them as well as the students to publish in high impact factor journals.

AWARDS

"Mr. and Miss. RYLA 2018 Award"

The Rotary Club of SPIC Nagar conducted their annual programme on "Rotary Youth Leadership Awards 2018 (RYLA

2018)" during 26 – 28 October 2018. Forty students from 8 colleges participated in the RYLA 2018 which had the theme, "Towards Achievements". Several skill development training sessions such as emotional intelligence, positive attitude, inter personal relationship, values & ethics, situational leadership, and public speaking skills were imparted to the participants from various colleges. Competitions were held among the participants to bring out the cultural and intellectual powers of the students. Eight students from the Fisheries College and Research Institute,

Thoothukudi participated in RYLA 2018 and won several prizes in the competitions. Thiru.E.Sakthivel of I B.F.Sc and Selvi.M.Semeena of II B.F.Sc., won the "Best Rylarian 2018 (Boys) and Best Rylarian 2018 (Girls)" titles, respectively bringing laurels to the Institute.

"Run for Unity" on the birth anniversary of Sardar Vallabhbhai Patel

The TNJFU organized the Mini Marathon "Run for Unity" on the 143rd birth anniversary of Sardar Vallabhbhai Patel at the Fisheries College and Research Institute, Thoothukudi on

31.10.2018. A total of 38 boys and 33 girls from the constituent colleges of Tamil Nadu Dr.J.Jayalalithaa Fisheries University participated. Thiru. Murali Rambha, IPS., Superintendent of Police, Thoothukudi District flagged off the race for 5 km run for boys from Rajaji Park and 3 km run for girls from Govt. Polytechnic college with the end point at Fisheries College and Research Institute Playground. Thiru. M. Anbalagan, Thiru. M. Suryaprakash and Thiru. S. Samson Romertho won the first three places in boy's category and Selvi. S. Sangeetha, Selvi. K. Kanimozhi and Selvi. V.S. Vaghisha won the first three places in girl's category. Thiru. Murali Rambha, IPS., Superintendent

of Police, Thoothukudi District distributed Medals and Trophy to the students. The Chief Guest in his address remembered the great effort of the Iron man of India, Sardar Vallabhbhai Patel

in unifying the desperate princely States after independence and urged that unity and integrity are the need of the hour for taking the nation forward. He pledged the support of all youth in maintaining unity and harmony to bring about a better India. Dr.G.Sugumar, Dean, Students' Welfare welcomed the gathering and congratulated the winners as well as the participants. Thiru. F. Parthiban, Sports Secretary delivered vote of thanks.

MoU's / Schemes

MoU signed between Tamil Nadu Dr. J. Jayalalithaa Fisheries University and CPF (India) Private Limited, Chennai

The Tamil Nadu Dr. J. Jayalalithaa Fisheries University (TNJFU) signed an MoU with the Charoen Pokphand Foods (India) Private Limited, Chennai on 05.10.2018 at Royal Thai Consulate-General by the Director of Research, Prof. G.Jeyasekaran for TNJFU, and the President, Dr.Wichit Tanesanurak for CPF in the presence of our

Vice-Chancellor, Prof. S. Felix, and the Consul-General, Ms. Krongkanit Rakcharoen, Deputy Consul-General, Ms. Pakvipa Ahviphon, Corporate Human Resource Manager (Aquaculture Business) of CPF, Thiru. Talerngkiat Supasin, and Asst. Vice-President (Human Resource & General Affairs) of CPF, Dr. K. Gopinath. Charoen Pokphand Foods Public Company Limited ("CPF") is one of the World's leading listed agro-industrial and food conglomerates, which operates vertically integrated business. The Company operates in 16 countries, exports products from Thailand to over 30 countries, covering over 4 billion population around the World. The Company

operates both the livestock (swine, broilers, layers, and ducks) and aquaculture (shrimp and fish) businesses. The vertically integrated businesses incorporate manufacturing of animal feed, animal breeding and animal farming; meat processing, manufacturing of semi-cooked meat and fully-cooked meat; food products and ready meal products, as well as meat and food retailer and restaurant businesses. This MoU will help both the parties to function unitedly to scientifically and technically train fishery professionals required for the industry as part of the

“In-plant Training Curriculum” of the University. This will also benefit the students to find employment in the company after the in-plant training in CPF (India) Private Limited.

MOU Signed with ICAR-CIARI, Andaman:

An MoU was signed between TNJFU and ICAR- Central Island Agricultural Research Institute, Port Blair, A & N Islands in the presence of Vice Chancellor Dr. S. Felix, Dr. A Kundu, Director, CIARI and Director of Research Dr. G. Jeyasekaran on 23.10.2018. Staff and Students (PG & Ph.D.,) exchange program will be enabled through this MoU.

Diploma in Industrial Aquaculture Technology Inaugurated

Dr. S. Felix, Vice-Chancellor, inaugurated the second Paraprofessional Institute to offer One year Diploma programme in “Industrial Aquaculture Technology” at the DIVA, Muttukadu, Chennai on 27.10.18. The Vice-Chancellor handed over admit cards to the newly admitted students. In his presidential address, The Vice Chancellor emphasized on the skilled manpower gap prevailing in the Aquaculture industry and the necessity for paraprofessional courses to fill the gap of the industry. Dr. Ambashankar, Principal Scientist, CIBA, Chennai

delivered chief guest address and opined that aquaculture industry is poised for huge growth, increasing its contribution to world food trade every year. He also lauded the activities and positive developments of TNJFU. Dr.K.Karal Marx, Dean, Institute of Fisheries Post Graduate Studies, vaniyanchavadi delivered felicitation address and Dr. N. Felix, Director i/c, DIVA Proposed vote of thanks. He also reviewed the work performance of Ph.D., Scholars of Dr. MGR Fisheries College and Research Institute, Ponneri at the ARTP conference hall, Madhavaram on 30.10.18.

COMMON PROGRAMMES / EVENTS

ICAR-KRISHI VIGYAN KENDRA, Sikkal

Mahila Kisan Diwas (National Women Farmers Day) was celebrated on 15.10.2018 at Vellapallam village, Thalainayar block. Thiru. N.Sampathkumar, Officer-in-charge inaugurated the programme. Tmt. D.Indhumathi, SMS (Agri. Entomology) welcomed the gathering. Essay writing, Drawing competition and Elocution events were organized on the themes of Role of women in Agriculture. Prizes were distributed to the winning women farmers and girl students. Overall, 41 women farmers and girl students from Govt. Higher Secondary School of Vellapallam village participated. One women farmer was honoured.

Fishing Technology and Fish Product preparation – Certificate course Inaugurated

Dr.S.Felix, Vice-chancellor, inaugurated a Three months Certificate Course on “Fishing Technology and Fish product

preparation" organised by the Directorate of Incubation and Vocational Training in Fisheries (DIVE), TNJFU, on the occasion of "World Food Day" (16.10.2018). In his presidential address he gave out details of the three years vocational degree course on Industrial Fish Processing Technology offered at Rayapuram, Chennai and One year diploma course on Aquaculture Entrepreneurship offered at Madhavaram, Chennai apart from the above certificate course. He added that youth of the fisherman community need to be skillfully strengthened by these kind of certificate courses. Dr. D. Sukumar, Director, DIVE, Ramanathapuram, in his welcome address elaborated on the importance of such vocational training courses in fisheries and detailed the efforts taken by the Vice-Chancellor, TNJFU on the skill up-gradation of fisher youth. Dr. G. Sugumar, Dean, Fisheries College and Research Institute, Thoothukudi explained the objectives of the certificate course in his felicitation address. Tmt. N. Chandra, Joint Director of Fisheries (Regional), Thoothukudi stressed on the need for such vocational certificate courses for solving unemployment issues among fisher youth. Dr. J. Jegadis, Principal Scientist, Central Marine Fisheries Research Institute thoothukudi gave the felicitation address. Dr. N. Neethiselvan, Professor and Head, Centre for Incubation and Vocational Training in Fisheries, Thoothukudi, delivered vote of thanks and Thiru. R. Velmurugan, Assistant Professor, DIVE, coordinated the programme.

SOFT-SKILL Programme conducted

A Special programme on "Ten tips to improve Self Confidence" was organized for the II & III B.F.Sc. students at the Fisheries College and Research Institute, Thoothukudi on 11.10.2018. Thiru.R. Veerapathiran, Pearlcity Academy on Leadership and Management Skills (PALMS), Thoothukudi was the trainer, who conducted a very useful and interactive session on basic methods of improving self-confidence and work efficiency

much to the appreciation of all participants. Dr.G.Sugumar, Dean of the Institute presided over the programme. Dr. S. Athithan and Dr. P. Padmavathy, co-ordinated the programme.

Nepal students on an exposure visit

The undergraduate students pursuing B.Sc. (Fisheries) programme at the Agriculture and Forestry University, Rampur, Nepal visited the Fisheries College and Research Institute, Thoothukudi on a four day exposure visit from 27.10.2018 to 30.10.2018. The main purpose of the visit is to gain field exposure on marine fisheries, coastal aquaculture and fish processing technology. Thirteen students including 8 girls and two faculties

from the Aquaculture and Fisheries program were given practical training and demonstration on marine capture fisheries, shrimp farming, seaweed farming, fish marketing practices and seafood processing. The visitors from Nepal were taken to marine fish landing centres at Fishing Harbour, Seafood processing plant,

seaweed farm and shrimp farm around Thoothukudi, Mariculture Research Farm facility and RGCA at Tharuvaikulam, besides all the departments, Library and Museum of Fisheries College and Research Institute, Thoothukudi. Dr.Dilip Kumar Jha, Professor of AFU, Nepal interacted with Dean and the faculty staff of the Institute.

Training on "Spirulina cultivation and Value Addition" conducted

Dr. M.G.R. Fisheries College and Research Institute, Ponneri conducted a two day training programme on "Spirulina cultivation and Value Addition" from 30.10.2018 to 31.10.2018. A total of ten trainees from various parts of Tamil Nadu participated in the training. During the training, various aspects in Spirulina cultivation and value addition were taught to the participants by

the subject matter specialists of the institute. As a part of training, the participants were taken to a spirulina cultivation farm at Chengalpattu. Dr.Manikandavelu, Professor & Head, Dept. of Aquatic Environment Management of the Institute distributed Certificates during the Valedictory Ceremony.

Coastal Cleanup programme organized by Dr. MGR FCRI Thalainayeru in collaboration with NETFISH – MPEDA

A Coastal Cleanup programme was organized by Dr.M.G.R. Fisheries College and Research Institute, Thalainayeru in collaboration with NETFISH – MPEDA on 10.10.2018 at Nagapattinam new beach. Thiru. S. Santhosh Kumar, Assistant Professor and Head initiated the coastal cleaning programme. Handouts stressing the need for keeping the beach clean and the support by the public and fishermen to maintain the bio resources of the sea were distributed. Th.R.Balasubramanian, State Co-ordinator, NETFISH – MPEDA and Th.V. Soundrapandian,

FIMSUL District Co-ordinator offered felicitations. Th.M.Muruganatham, Assistant Professor and Head, Department of Fish Processing Technology Co-ordinated the cleaning programme. Around 80 persons including students and staff of the Dr.M.G.R. Fisheries College and Research Institute, Thalainayeru actively participated in the cleaning programme. The way leading to the beach, the children park situated at the entrance of the beach and the sand bed near the shore were thoroughly cleaned. T – Shirt & bearing NETFISH - MPEDA emblem were distributed to the participants.

World Food Day Celebration

On behalf of Science Club, Faculty members of Department of Basic Sciences, College of Fisheries Engineering conducted World Food Day celebration under the theme of “Zero Hunger” on 17.10.2018. Dr.S.Balasubramanian, Dean, CoFE presided over the celebration and elaborated on the importance of agriculture and innovation in machineries in satisfying the growing food requirement. Dr.K.Rathnakumar in his guest talk insisted that changes required for achieving “Zero Hunger” must start from the students themselves first. Dr.D. Kesavan exclaimed that

advancement of better management practices and fisheries engineering could potentially reduce waste in fisheries sector. In view of this celebration, various events such as drawing, elocution, essay writing, and poem writing events were conducted and the winners were appreciated with certificates. The event was co-organized by Thiru. N. Thirusanth and Thiru.R.M. Devasenan, third year students of B.E. (Fisheries Engineering).

World Fisheries Day Celebrations at DIVA, Muttukadu

The World Fisheries Day was celebrated in the Directorate of Incubation and Vocational training in Aquaculture (DIVA), ECR, Muttukadu on 21.11.2018. Dr. N. Felix, Director i/c., welcomed the participants and the importance of World Fisheries Day was highlighted. The role of TNJFU in the development of fishermen and fisheries and aquaculture in Tamilnadu was emphasized. The educational opportunities available in TNJFU for the upliftment of fishermen were also briefed

on this occasion. A total of 30 participants including fishermen from Karikattukuppam village and Diploma students have participated. The fishermen were taken to feed mill, aquaculture farm facility and the role of this directorate in enhancing research and development of aquaculture was demonstrated.

WORLD FOOD DAY 2018 - CFNFT

World Food Day was celebrated in College of Fish Nutrition and Food Technology, Madhavaram, Chennai on 16.10.2018.

The students of I year B.Tech (Food Technology) 2018-19 batch participated in a series of competitive events organised to mark this occasion. The theme of the year is “Our actions are our future” working towards Zero hunger.

Prof.S.Felix, Vice-Chancellor sent best wishes message to the students on the occasion of World Food Day which was conveyed to the students in the function. Dr.R.Senthiladeepan, Director, TNJFU Academy while delivering the chief guest address, highlighted the importance of food and significance of World Food Day. The chief guest distributed certificates to the winners of the different events. Dr.N.Felix, Dean in-charge of College of Fish Nutrition and Food Technology delivered presidential address. Dr.Brimapureswaran, Assistant Professor and Dr.Mathivanan, Teaching Assistant proposed welcome address and vote of thanks, respectively.

Training programme on Loach Culture and Breeding Technology

Parakkai Centre for Sustainable Aquaculture, Parakkai Kanya Kumari conducted a one day training programme on **Loach Culture and Breeding Technology** on 26.10.2018. Overall, 21 participants from different districts of Tamil Nadu and

Pudhucherry attended the programme. Topics on site selection, pond construction, pre-stocking management, post-stocking management, stocking, feeding and breeding were explained to trainees. Farmers were exposed to field visit and demonstration on loach breeding techniques was performed. Er.N. Ganesan, Executive Engineer, Public Works Department, Nagercoil attended the valedictory function and distributed certificates & pamphlets.

COLLEGE NEWS
