FROM THE DESK OF DEAN

I am greatly honored to publish the second quarter e-Newsletter for the year 2023 of FC & RI, TNJFU, Thoothukudi. With no doubt our institute is working unanimously to foster the development of the students and staffs. To prove that, staffs were trained with soft skills on usage of e-modules in class level teaching especially in use of Google/Virtual class rooms, Virtual Reality kits under ICAR-NAHEP, SWAYAM-MOOCs etc. In connection with this, all the staff of this institute attended a workshop on "Blended Teaching Methods for Better Learning Outcomes in Fisheries Education" on 26.05.2023 at TNJFU-IFPGS, OMP Campus, Vaniyanchavadi, Chennai. Students were placed under various Experience Learning Programs (ELP) and making them as an entrepreneur at college level. We organised a mega event called "PEARL AUQA" to pool the knowledge on the blooming shrimp farming sector. Also, the college conducted a national level fish farmers meet and Open Day in commemoration on the establishment of TNJFU.

ACTIVITIES OF COLLEGE

Pearl Aqua - Good aquaculture practices in vannamei farming (GAPS in vannamei farming)

Pearl Aqua is the flagship programme organised for the first time by the Fisheries College and Research Institute, Thoothukudi. As a part of this programme, a "National workshop on Good Aquaculture Practices in vannamei farming (GAPS in vannamei farming)" was organized on 28.04.2023. This programme was inaugurated by our Honorable Vice Chancellor Dr.G. Sugumar. In his inaugural address he emphasized the status of shrimp farming and Indian seafood export market. Dr.B.Ahilan, Dean & Convenor, FC&RI, Thoothukudi delivered the felicitation address. In this programme four eminent speakers, Mr.Ravi Kumar Yellanki, Dr.Amerneni Ravi Kumar, Mr.SithichaiSae ho, Dr.Manoj M Sharma from the field of shrimp farming across the country delivered special lectures. A total of 147 participants comprising of shrimp farmers from various parts of India, entrepreneurs, feed manufacturers, students, research scholars and academicians attended the workshop. Dr.K.S. Vijay Amirtharaj, Assistant professor served as Organizing Secretary for this programme.

Inaugurated a new Ashok Leyland Bus for students

A new Ashok Leyland Bus has been purchased by FC&RI, Thoothukudi and the bus was launched on 28.04.2023 by the Hon'ble Vice-Chancellor, TNJFU, Nagapattinam.

XII meeting of Board of Studies

The 12th meeting of Board of Studies was held on 19.04.2023 at FC & RI, Thoothukudi in a hybrid mode. The Faculty Dean (Fisheries Science) Dr.B.Ahilan, welcomed the gathering. The placed agendas were discussed in detail and the remarks were offered accordingly. Dr.T.Umamaheswari, Coordinator, Board of Studies proposed vote of thanks.

An awareness programme under National Surveillance Programme for Aquatic Animal Diseases – Phase II

An awareness programme was conducted on 28.04.2023 under "National Surveillance Programme for Aquatic Animal Diseases – Phase II" at FC & RI, Thoothukudi for the benefit of fish farmers. Dr.N.V. Sujathkumar inaugurated the programme. Dr. B. Chrisolite, Assistant Professor and Principal Investigator, said that this surveillance program was approved by the Ministry of Fisheries, Animal Husbandry and Dairying under Pradhan Mantri Matsya Sampada Yojana (PMMSY). She has also conveyed the importance and applicability of the scheme at the field level to the farmers and clarified queries.

Sea voyage at KAYAL the Marine Fishing Vessel

The staff of FC &RI Thoothukudi got an opportunity to board on the Vessel KAYAL on 11.05.2023. Fourteen teaching staffs travelled over 12 kms from the shore.

World Turtle Day 2023

World Turtle Day 2023 was organized by the Department of Fisheries Biology and Resource Management at FC & RI, Thoothukudi. A total of 120 participants attended the programme. Dr. N. Jayakumar, Associate Professor and Head, welcomed the gathering. Dr. B. Ahilan, Dean delivered the Presidential address and emphasized the importance of the conservation of turtles and tortoises. Dr.V.KVenkataramani, Adjunct Professor, delivered a special talk on the importance of community-based turtle conservation. Mr. C. Sudhan, Assistant Professor explained the application of a newly developed android mobile application in locating the sea turtle nesting grounds along the mainland of south Tamil Nadu. The Android Mobile Application and online blog were released by the Dean. The third-year B.F.Sc. students Ms.I.Keerthana and Ms. V. Priyanka, who assisted in developing the Android application were honored with a memento.

World Environment Day 2023

The Department of Aquatic Environment Management and NSS unit of FC & RI, Thoothukudi jointly organized "Beach Cleanup Programme" at Inigo Nagar Beach, Thoothukudi on 05.06.2023. The programme was inaugurated by Dr.B.Ahilan, Dean, FC & RI. Sixty UG students were actively involved and collected plastic wastes such as single-use plastics, fishing nets, thermocole, bottles and other anthropogenic litters at Inigo Nagar Beach. Dr.P.Padmavathy, Professor and Head, and Mr.M.Muruganantham NSS Officer, coordinated this programme.

2nd IQAC Quarterly Meeting

The 2nd IQAC Quarterly Meeting was conducted on 06.06.2023. After detailed discussion, the members have decided to constitute 3 committees viz. i) Anti-Ragging Committee, ii) Student's Grievance Committee and iii) Anti-Drug Committee for better functioning of the institute.

Participation of PG students in the International Conference at Sri Lanka

The three MFSc students namely P. Antony Heniton, V. Nitheshwara and S.A. Raj Vasanth from FC & RI, Thoothukudi were sent to participate the International Conference entitled USSEC US SOY AQUACOLLEGE EVENT on 07.06.2023 organised and funded by SOY Aqua College at Shangri-La Hotel, Colombo, Sri Lanka and gained knowledge on the global status of shrimp farming, soyabean in aquafeeds, IPR, disease management and the sustainable farming in fisheries.

Two Gold Medals in Silambam

The District Level Competition on Silambam was conducted by the Tamil Nadu Sports Development Authority, Thoothukudi District on 21.02.2023 and 22.02.2023 at Tharuvai Stadium, Thoothukudi. Mr.V.Subhash, II B.F.Sc. student of FC&RI, Thoothukudi participated in this competition and won two Gold Medals in the Alangara Veechu and Double Stick Veechu events of Silambam.

National level Fish Farmers Meet – 2023

The NFDB sponsored National level Fish Farmers Meet – 2023 was conducted on 16.06.2023 at FC & RI, Thoothukudi in commemoration of Foundation Day of TNJFU. Dr. Amal Xavier, Joint Director, Department of Fisheries and Fishermen Welfare, Thoothukudi was the Chief Guest. Dr. B. Ahilan, Dean, FC&RI, Thoothukudi narrated the importance of diversification of fish species in aquaculture and mariculture. In this programme, three eminent speakers shared their experience and knowledge with the farmers. A total of 100 fish and shrimp farmers from various parts of Tamil Nadu participated in this programme. Dr. G. Arul Oli, Assistant Professor, FC & RI, Thoothukudi coordinated the entire programme.

Open Day 2023

The FC&RI, Thoothukudi organized a Open Day on 19.06.2023 for school students and public in commemoration of the establishment of TNJFU. The Open day was inaugurated by Mrs.Rejini, Chief Educational Officer, Thoothukudi in the presence of the Dean, Dr.B.Ahilan. The college has exclusively arranged various exhibits such as marine ornamental fish aquarium, glass aquarium, edible fishes, shrimps, crabs, lobsters, brooder fishes, models of integrated fish farms, fish processing facilities for the visiting public / students. Around 22 schools with more than 2000 students in and around Thoothukudi have visited and benefitted. Dr. V. Rani, Professor, Department of Aquatic Environment Management and Dr. N. Jayakumar, Professor, Department of Fisheries Biology and Resource Management were coordinated the programme.

9th International Day of Yoga

The Physical education unit of TNJFU- FC & RI, Thoothukudi celebrated the 9th International Yoga Day on 21.06.2023. Dr. N.V. Sujathkumar inaugurated the event. A special lecture on "Value of Yoga in the current life style" was given by the Yoga Master, Mr.K.Parthasarathi. Dr. F. Parthiban, Assistant Professor and Dr. D. Natarajan, Assistant Director Physical Education coordinated the events.

Workshop on “Statistical Tools and Data Analysis Software for Fisheries Research”

The Department of Fisheries Extension, Economics and Statistics has organised a two-day consultative workshop on “Statistical tools and data analysis software for fisheries research” from 23rd to 24th June, 2023. The workshop aims to provide a base knowledge about the statistical tools and data analysis software for fisheries research to the faculty and the PG & Ph.D. scholars. Dr. B. Ahilan, Dean, FC&RI, Thoothukudi inaugurated the programme. Consultation on various statistical analysis (both Parametric & Non-parametric tests) respect to the student research, and hands-on sessions using R-Studio were provided. A total of 37 participants were attended the workshop and benefitted. Dr. G. Arul Oli, Assistant Professor, Co-ordinated the programme. Dr. B. Manikandan, Assistant Professor (C) organized the programme.

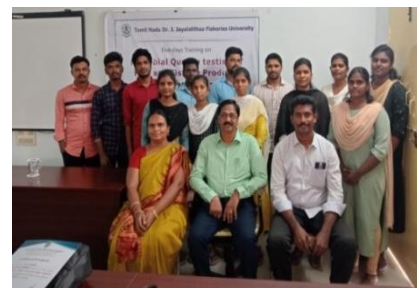

Student Ready Programme (SDP)

The final year B.F.Sc students of 2019-20 batch FC & RI, Thoothukudi has undergone the student’s Ready program (SDP) during their eighth semester for 80 days. Under this program 30 students had the exclusive training on preparation of fish & fishery products such as fish/shrimp pickle/cutlet/rolls/balls/ buff/fries, seaweed cakes & pudding, and the dry fishes. The prepared products were sold in around the college and earned an appreciable profit. Thirty five students were placed to learn the fresh water fish culture, ornamental fish culture and vannamei shrimp culture respectively.

TRAININGS ORGANIZED

- Department of Aquaculture offered one-day training programme entitled **"Farm Made Fish Feed Preparation"** on 21.04.2023.
- Department of Fish Quality Assurance and Management offered a five days training programme on **"Microbial Quality testing of Fish and Fishery Products"** from 08.05.2023 to 12.05.2023.
- Department of Aquaculture conducted one-day training programme on **"Murrel Fish Farming"** on 19.05.2023
